

Stay the  
\_\_\_\_\_ at home!

Conference  
call attire  
is: \_\_\_\_\_  
on top,  
\_\_\_\_\_ on  
bottom

My mom  
has worn  
\_\_\_\_\_ for  
the last 7  
days.

Day  
drinking  
+ Home  
school =  
\_\_\_\_\_

I can't  
believe I saw  
11 people at  
the park and  
they were  
\_\_\_\_\_!

Yes, Netflix,  
I'm still  
waching  
\_\_\_\_\_

When we  
run out of  
toilet  
paper, \_\_\_\_\_  
works in a  
pinch.

Prom was  
cancelled,  
so we \_\_\_\_\_  
instead.

Mom said  
Dad isn't  
essential,  
but \_\_\_\_\_  
sure is!

Instead of toilet paper, I'm hoarding \_\_\_\_\_.

What do you mean, \_\_\_\_\_ isn't essential?

Mom! \_\_\_\_\_ is making me cough!

If you can't cough into your elbow, you should \_\_\_\_\_.

Don't touch your \_\_\_\_\_!

Because of Shelter in Place, we had to replace \_\_\_\_\_ with \_\_\_\_\_.

Next pandemic, I vote we \_\_\_\_\_ in Place.

Gold? Toilet paper? Some might say the real currency is \_\_\_\_\_.

Quarantine has really made me look forward to \_\_\_\_\_ when it's over.
